

# I am a Pearl

8<sup>th</sup> Grade  
LMS

I am a pearl  
Tucked away in  
A oyster.

Beautifully  
Transforming  
Without  
Knowledge.

Submerged  
Under the  
Strength of the  
Whole sea  
The weight of the  
world Gracefully  
sitting upon  
ME.

I will  
EMERGE  
With  
ELEGANCE  
As they  
ESPY my  
Untouched  
Beauty

I was and still am  
Protected by  
love,  
Just in a different form.  
While my oyster set me  
free  
I left encoated by its  
Illuminate iridescent  
Glow.

Since rising from the
