

What is PTA?

LMS PTA QUESTIONS AND ANSWERS

The LMS Parent Teacher Association (PTA) is a group of parents and teachers/staff at LMS who work together to provide enrichment for all our students.

Some examples of what we fiscally support and volunteer our time to organize are: Clothes Closet, Weekend backpack meals, Healthy Lifestyle activities, Dances, Teacher Grants for classroom enrichment, Reflections, school supplies, and Teacher Appreciation events.

Why should I join?

The number-one reason to join LMS PTA is to benefit your child. In doing so, you also help your school. Research shows that students do better when their families are involved both at home and at school. Grades are higher. Test scores rise. Self-esteem grows. Schools improve.

Being active on the PTA is also a fantastic way to get to know teachers, staff, and other parents. Your membership helps create a louder voice for state and national PTA as they advocate and lobby for our children and schools. Whether you are here for only a year or for 3 years, we welcome you to our community of learners! Our events are funded annually, so your child will directly benefit from your support.

When you join, you receive several benefits, plus offers available from State and National PTA. Some of these include:

- Discounts on Great Wolf Lodge, Silverwood, Wild Waves, Hertz, and other attractions, plus discounts on supplies, copy and printing at Staples and FedEx Office
- Access great resources. State and National PTAs provide information on topics ranging from homework help to bullying prevention to media safety to child health and more.

programs on an annual basis. You can join at www.joinpta.org.

Does joining mean I'm required to volunteer or attend meetings?

No, joining does not obligate you to do anything more than that. Please join and show that you care and are invested in the welfare of our children. You are not required to donate, volunteer or attend PTA meetings – but we'd love it if you did!

What if I've already joined PTA at my other child's school? Do I need to join twice?

We ask that you please join the PTA at each school you have a child attending. Each school runs an independent PTA program that supports the students at that particular school. PTAs run programs based on the volunteers and funds provided annually by their individual members. LMS PTA supports <u>ALL</u> children at LMS, regardless of whether their parents join. We are striving for 100% membership to share support for your child across all families - every dollar or hour you spend with LMS PTA goes directly to your child this school year.

Why do I need to pay to renew?

Our membership dues cover the cost of the Texas State PTA and help offset some administrative costs. PTA Programs at LMS are made possible through our fundraising efforts, not membership dues. Membership dues are 100% tax deductible.

The PTA is a voice for students in the education system – and the more members we have, the louder the voice. PTA is the largest child advocacy group in the US and lobbies and protects the interest of our children. One membership adds up to thousands of members, and thousands of voices, all for the kids. Joining PTA also benefits you individually, with access to many benefits from TX State, and National PTAs.
