

**This year's theme is "*I Will Change the World By . . .*"**

### **What is Reflections?**

The National PTA believes all children deserve a quality arts education and encourages students to pursue artistic expression through participation in its annual Reflections Program. The Reflections Program recognizes students for their creativity.

With positive recognition as the focus of this program, rather than competition, students of all ages and abilities can experience the benefits of creative expression and help in finding their own voice in telling their unique story.

Students are encouraged to create and submit their entries in six areas:

**Literature**

**Musical Composition**

**Photography**

**Dance Choreography**

**Film Production**

**Visual Arts**

Each student can make multiple entries in multiple categories if interested.

**Please turn in all entries to the Leander Middle School Library by: Monday, November 1st.**
